## Message From The Manager

*As we enter the 2022 golf season, I want to take a moment to update everyone on the current membership status of the club. At this time, the club has reached its membership cap of 235 memberships and currently has a waiting list that consists of 10 potential members. Our membership waitlist operates off attrition, so when one member leaves, a potential member on the waitlist has the option to join. If you know of anyone that is interested in membership, we encourage you to have them complete a membership application. As we move to the end of the summer, we expect to have close to 30 potential members on the list. The membership cap could not have been achieved without your continued support of Skybrook and we can not thank you enough for support. We are extremely grateful to have the best group of members in Charlotte!*

*Matt Hill, PGA  
General Manager*

## Member-Member

This Friday, May 20th at 7:00pm the club will be kicking off its 1st major of the year, the Member-Member. If you would like to sign up for the event and are not already on the list, please call the golf shop no later than 5:00pm this Wednesday. Round one will tee off on Saturday morning with tee times starting at 8:30, and round two will begin on Sunday morning with tee times at 8:30 as well. Sunday evening of the Member-Member is one of the most exciting times at the club as we host the annual on course shootout. Where each low gross and low net winner from each flight will face each other in a head-to-head modified alternate shot event, ending on #9. We encourage all members to come out and watch the dramatic ending to one of the club's greatest events.

## Driving Range Reminder

This is a friendly reminder that the driving range closes at 12:00pm every Monday and reopens every Tuesday at 12:00pm. During this time, we can clean pick the driving range and cut/fertilize all the grass necessary to keep the range in great condition. We understand how this can be inconvenient, but we appreciate your understanding as we work hard to keep the Skybrook range in great shape.

## Member-Management Scramble

On Friday, June 10th the club is hosting a new event in our 9 holes tournament series. The member management scramble will feature 4 members and a staff member teeing off in 5-person scramble. This event will cost \$15 per person and all funds will be used toward dinner following play. Please join us for this great new event. You can sign up by calling the shop or my emailing Lucas Banks ([lucas@skybrookgolf.com](mailto:lucas@skybrookgolf.com)).

## PuttView Yardage Books

Over the past year we have received many requests for yardage books. Skybrook has teamed up with GolfLogix to bring you the most detailed yardage book of the course that has even been produced. GolfLogix uses satellite heat maps to indicate breaks in the greens that can not be seen with your eyes. The yardage books can be purchased in the golf shop.

## SelectPi Range App

As many of you know, the club recently purchased a new range ball machine. The range ball machine is equipped to dispense balls via tokens, credit/debit cards, or SelectPi payment. If you are a range member, you can sign up for the SelectPi app and be able to collect balls without coming to the golf shop. If you would like to get balls at the range without having to come by the shop please download the SelectPi app in the app store and sign up as a user. Once that is complete please email Matt ([matt@skybrookgolf.com](mailto:matt@skybrookgolf.com)) with the phone number and email you registered with and we can convert your SelectPi account to member status. After that is complete you will be able to collect up to 160 range balls a day without having to come to club house.
