## Message From The Manager

*We officially broke ground in late October on two new projects at Skybrook Golf Club and we hope you're as excited as we are!*

*The driving range and short game facility re-model will include TopTracer Range Technology, comfortable sitting areas, a unisex restroom, and fun for the entire family. In addition, a new parking lot will be built on the lower level of the current range to accommodate the anticipated increase in traffic. Thank you for your continued support in making Skybrook the best in class in the Charlotte area.*

*Matt Hill, PGA  
General Manager*
